

TITLE	STRATEGY	OUTCOME
Student Performance	<ul style="list-style-type: none"> ➤ Increasing value added courses ➤ Adding emerging Elective courses ➤ Mentor mentee log book should be intensified 	<ol style="list-style-type: none"> 1. Mentorship program guidelines formulated; Mentorship log book continued. 2. Student representation in various committees.
Research and Professional Practice	<ul style="list-style-type: none"> ➤ Redefined Research Publication Policy ➤ Providing Incentives for Quality Publications ➤ Training faculty members for Grant Writing ➤ Increasing MoUs with Research Institute and Industries ➤ Creation of Innovation and Incubation cell 	<ol style="list-style-type: none"> 1. A quantum jump in publications is obtained in indexed databases the details are given below: Scopus: 26 WoS: 3 2. Signed New MoUs 3. FDP on Grant writing 4. incentives for Scopus and WoS publications

ats Feedback

- Higher education coaching cell to be established & a systematic mechanism to monitor students joining higher education to be established.
- Activities of student's council should be intensified.

1. Student Council members revamped and events were organized under student council
2. Weekly meeting with council members followed
