POEM

-MYTHRI JAIN

He searched her after his victory,
As she was sole unconditional support at the
time of needs,
But she was nowhere to be found in his life,
Her traces were also cleaned by her,
As if she never existed for him,
On a fine day he found her,
She was so beautiful that he couldn't
describe her,
He approached her, but she had an
indifferent behaviour!
He met her best friend, whom she always
talked about,
She said – after she was tired waiting for you
endlessly,
She met with a fatal accident and lost her
memory,
But he didn't know after seeing him, she
remembered everything!
She confessed in front of the god, again the
destiny played,
As he was standing there unknown to her!
She cried a lot for him but she promised to
not cry again,
Unable to see her cry he came out marking
his presence,
She was still going to run away, but he held
her closely and confessed his love,
Thus the destiny uniting an unrequited love!
